and Corrections Branch
Halawa to Kalihi, Oahu**

AMHD Courts Clinical Psychologist

Range starting at \$92,000 per year: salary commensurate w/
training and experience

The purpose of this full-time position is to perform court ordered evaluations of adults for Circuit and District Courts statewide pursuant to HRS 704 including examination of mental disease, disorder or defect; fitness to proceed; penal responsibility; risk assessments to assist in the court's disposition related to discharge, release on conditions, or commitment to the custody of the Director of Health; and examination of the mental condition of a defendant to assist in the court's disposition of an application for discharge, conditional release, modification of conditions of release, or discharge from conditional release. The primary purpose of this position is to provide direct services and case consultation to the courts and programs of the Judiciary and to other related agencies and programs in the State.

Minimum Qualification Requirements

EDUCATION: Successful completion of all requirements for a doctoral degree in clinical psychology from an accredited college, which included an internship in clinical psychology, or

Successful completion of all requirements for a doctoral degree from an accredited college in a specialty related to clinical psychology. The doctoral program must have included an internship in clinical psychology or must have been supplemented by a post-doctoral clinical internship, or

Holds a doctoral degree from a training program approved by the American Psychological Association (APA), or holds a doctoral degree from a regionally accredited institution of higher education and also meets the experience requirements for inclusion in the National Register of Health Service Providers in Psychology, as described in Chapter 465, HRS, or

Holds a diplomat certificate in good standing granted by the American Board of Examiners in Professional Psychology, as described in Chapter 465, HRS.

SPECIALIZED EXPERIENCE: Three (3) years work experience in clinical psychology. Experience in psychological, neuropsychological, and forensic assessments is clearly preferred. Consideration of completion of internships, or post-doctoral fellowships may be substituted for the three (3) years work experience in clinical psychology.

LICENSE: Possesses a valid license to practice psychology in the State of Hawaii, as described in Chapter 465, HRS and valid Type 3 Driver's License.

Who May Apply

LEGAL AUTHORIZATION TO WORK REQUIREMENT: The State of Hawaii requires that all persons seeking employment with the government of the State shall be citizens, nationals, or permanent resident aliens of the United States, or eligible under federal law for unrestricted employment in the United States.
